

Vape Street Holdings order recreation.

STANDARD OPERATING PROCEDURE — CUSTOMER SUCCESS

Document ID	SOP-CS-011
Document type	Standard Operating Procedure
Department	Customer Success
Owner	Customer Success Lead
Audience	Customer Success agents, Order processing team
Version	v1.0
Effective	June 2026
Status	Active

1. Purpose

Vape Street Holdings operates nine franchise locations that place orders under individual store names. This SOP defines how Customer Success recreates each franchise order under the parent Pamela Tremblay account so that billing, payment, and reporting consolidate against the single account on file. The procedure also captures the express shipping rule, the credit-card billing source, and the franchise-cancellation rules that keep store-level staff out of the notification loop.

2. Scope

Applies to every Shopify draft or order placed under any Vape Street Holdings franchise account, including but not limited to Vape Street Burrard, Vape Street Langford, and Vape Street Convenience (Langley). Out of scope: standalone retail customers, wholesale accounts unrelated to Vape Street Holdings, and B2B Wholesale Hub imports that already post under the Pamela Tremblay account.

3. Reference — special requirements row

The order-processing reference file lists the binding rules for Vape Street Holdings. These rules are the source of truth for this SOP; this section reproduces them so agents do not need to open the reference file mid-task.

Vape Street Holdings (9 franchises) — rules of record

When an order comes in under Vape Street, duplicate the order using the same shipping address. For the billing address, use the one associated with the credit card. Change the account to Pamela Tremblay. Always ship the order via Express. If the order total is under the free shipping threshold, apply a custom Express shipping rate of \$25. Use the credit card on file under Angela Araujo for payment. Cancel the original order. Uncheck send notification to the customer when you cancel the order.

Customer	Account Manager	Special Requirements		
XO VAPE	Gabriel Jean	"TERMS" Mark in the notes "!!! ATTENTION PACKING !!! SHIP EXPRESS"	Marc Antoine (Saint Amable) is the contact : 514-802-2653	
Nicolas Cuesta	Gabriel Jean	He always places separate orders, one for the STLTH and the other for liquids, and he always pays for the shipping, even if the two orders are shipped together. He always wants the STLTH to ship the same day/ mark "Ship Express for the next day" in the notes for STLTH Order.		
EZ-Vape Head Office	Gabriel Jean	Once Gab forwards the order to me by phone, I'll place it and attach the invoice. I'll then send an email to Melissa Gates at melissa@ezvape.com and copy Jesse (jesse@ezvape.com), Emma (emma@ezvape.com), Chris (chris@ezvape.com), and Chef Steve (chefsteve@ezvape.com). The subject will be formatted like Gab's previous emails, such as "NEW ORDER 2025-06-04 DON CRISTO." The email will include the invoice attachment and a link to complete the payment.		
VAPE STREET HOLDINGS (9 FRANCHISES)	Gabriel Jean	When an order comes in under Vape Street, duplicate the order using the same shipping address. For the billing address, use the one associated with the credit card. Change the account to Pamela Tremblay. Always ship the order via Express. If the order total is under \$1500, apply a custom Express shipping rate of \$25. Use the credit card on file under Angela Araujo for payment. Cancel the original order. Uncheck send notification to the customer when you cancel the order		
Sarmad Bahr Aluloom	Gabriel Jean	Ship Express for the next day		
Ontario Vape Orleans	Gabriel Jean	Mandy is the manager of Ontario Vape Orleans - always check with her when we have a backorder.		
Brent Roller (Vape Villa)	Gabriel Jean	Call Brent at (306) 291-2456 for refund, BO or swap. If he doesn't answer, email him at brent@vapevilla.ca. Last time, he responded that for discontinued products (like Green Apple Ice 30mL (20mg) by STLTH), his preference is to automatically process a refund or substitute with Mint Condition 20mg. If no response is received within a reasonable time, proceed with a refund to the credit card.		
		Part of same group — Citronic acquired Vape Boutique. Net 7 payment terms. Orders will be for DSS and FLVR SHOT. → Export all PDF invoices before marking as paid (to avoid confusion).

4. Roles and responsibilities

- **Customer Success agent** — recreates the draft, applies billing and shipping, verifies discounts, and cancels the original franchise order.
- **Customer Success Lead** — owner of this SOP. Approves deviations and audits the cancelled-order log weekly.
- **Account Manager (Gabriel Jean)** — escalation point for franchise pricing questions and credit-card authorisation file disputes.

5. Required data on file

Before starting, confirm the following references are accessible. If any item is missing, stop and escalate to the Customer Success Lead.

ITEM	SOURCE	USED FOR
------	--------	----------

Pamela Tremblay customer	Shopify customer record	Account on the recreated draft
Angela Araujo credit-card authorisation	Authorisation file (CS shared drive)	Billing address and payment method
Original franchise draft	Shopify draft orders (B2B Wholesale Hub import)	Source of products and shipping address
Vape Street Holdings rule row	Order processing reference file	Confirmation of express rule and \$25 fee

6. Step-by-step procedure

6.1 Duplicate the franchise order

1. Open the original franchise draft in Shopify (for example, **DSS166523** under Vape Street Burrard).
2. Click **More actions** at the top right and select **Duplicate**.
3. Shopify creates a new draft (for example, **#D80283**) with all line items copied from the franchise order.

Figure 2 — Original franchise order with the Duplicate action selected from Autres actions.

6.2 Remove the franchise customer from the draft

4. On the new draft, open the customer card menu (...) in the **Client** panel.
5. Click **Remove customer**. The draft now has no customer attached.

Figure 3 — Removing the franchise customer from the duplicated draft.

6.3 Assign the Pamela Tremblay account

6. Search **Pamela Tremblay** in the customer field and attach her as the customer of the draft.
7. Confirm the email on file is **invoices@vapestreetcanada.com** and the order count refreshes to Pamela Tremblay's history.
8. Click **Save** before doing anything else — Shopify will lose unsaved customer changes if you continue editing.

Figure 4 — Draft now under Pamela Tremblay with the franchise shipping address preserved.

6.4 Keep the original shipping address

9. In the **Client** panel, open the menu (...) and select **Edit shipping address**.
10. Verify the shipping fields still show the original franchise location (for example, **Vape Street Langford, 739 McCallum Rd #101**).

Figure 5 — Opening the shipping address dialog from the customer panel.

DO NOT swap shipping

When the dialog opens, Shopify lists Pamela Tremblay's saved addresses (Vape Street Burrard and others). Do NOT pick one. Leave the fields as they came from the franchise draft. Shipping must match the franchise location that placed the order.

Figure 6 — Saved customer addresses are shown but must not be selected.

11. Click **Save** on the dialog.

6.5 Set the billing address from the authorisation file

12. Open the **Client** panel menu and select **Edit billing address**.

13. Enter the billing address recorded against the credit card on file under **Angela Araujo** (2071 Kingsway Avenue #313, Port Coquitlam BC V3C 6N2).

14. Click **Save**.

6.6 Apply express shipping

15. In the order body, click **Add shipping or delivery**.

16. Select **Custom shipping**. Set **Name** to **EXPRESS SHIPPING** and **price** to **\$25.00** when the order subtotal is below the free-shipping threshold. If the order is at or above the threshold, set the price to **\$0.00** but still name the line EXPRESS SHIPPING.

17. Click **Done**.

Figure 7 — Custom shipping line: EXPRESS SHIPPING at \$25.00.

18. In the **Notes** panel, add **SHIP EXPRESS!** so the warehouse picks the express lane.

6.7 Verify discounts

Some franchise items have automatic discounts; all Vape Street orders carry the wholesale discount; specific SKUs may carry special pricing. Confirm each discount line before saving.

- Confirm the automatic **VAPESTREET** discount appears on every eligible line.
- Confirm the wholesale discount has not dropped off the draft during duplication.
- Cross-check unit prices against the customer's agreed special pricing where applicable.

6.8 Save and create the order

- 19.** Review the draft end-to-end: customer is **Pamela Tremblay**, shipping matches the franchise, billing is **Angela Araujo**, note reads **SHIP EXPRESS!**, and the EXPRESS SHIPPING line is present.
- 20.** Click **Create order**. Send the invoice to **invoices@vapestreetcanada.com**.

The screenshot shows the Shopify 'Drafts' page for order #D80313. The order is for Pamela Tremblay, with a total of 237.45\$. The shipping address is 'Vape Street Convenience' and the billing address is 'Angela Araujo'. A note 'SHIP EXPRESS!' is added. The payment section shows a total of 275.57\$ including shipping and taxes. The shipping address is 'Vape Street Convenience' and the billing address is 'Angela Araujo'.

Figure 8 — Final draft: Pamela Tremblay customer, franchise shipping, Angela Araujo billing, EXPRESS SHIPPING line, VAPESTREET discount, SHIP EXPRESS! note.

7. Cancel the original franchise order

1. Open the original franchise draft (the one duplicated in step 6.1).
2. Click **Cancel order** from the **More actions** menu.
3. Keep **Restock inventory** checked so the items return to stock for the warehouse.
4. Uncheck **Send notification to customer** — franchise locations must not receive cancellation emails.
5. Add an internal note: “**Order recreated under Pamela Tremblay account.**”
6. Click **Cancel order** to confirm.

8. Final confirmation

Once payment is captured against the credit card on file, Shopify emails the payment confirmation automatically to the Pamela Tremblay address. Confirm the following before closing the task:

- Payment status on the new order shows **Paid**.
- The draft has been promoted to a real order (it no longer appears under Drafts).
- The express shipping note is visible on the order.
- The original franchise order is marked **Cancelled** with the internal note attached and the customer notification suppressed.

Non-Compliance

Orders left under a franchise account distort the Pamela Tremblay credit ledger and break the Vape Street consolidated reporting. Specific consequences when the SOP is not followed:

- Order remains attached to the franchise account — credit-card payment fails because the franchise account has no card on file. Order is held until manually corrected.
- Shipping address swapped to a Pamela Tremblay address — shipment routes to the wrong franchise and triggers a return-to-sender, billed at standard reshipment rates.
- Cancellation notification sent to the franchise — store staff receive a cancellation email they were never meant to see, requiring an apology from the Customer Success Lead.
- Missing internal note on the cancelled order — the audit cannot link the cancelled franchise order back to the recreated Pamela Tremblay order. The CS Lead must reconstruct the link manually.
- Express shipping line omitted on orders under free shipping threshold — the warehouse defaults to ground and the franchise receives stock two to four business days late.

Exceptions

Deviations from this SOP require written approval from the Customer Success Lead before the order is created.

- Different shipping destination — only when the franchise explicitly requests a one-time alternate address by email. Forward the email to the CS Lead and attach it to the order notes.
- Alternate payment method — only when Angela Araujo confirms in writing that a different card is to be charged. Record the authorisation reference in the order notes.
- Standard shipping in place of Express — not permitted. There is no approved exception to the express rule for Vape Street Holdings orders.

Approved exceptions are logged in the Customer Success exceptions register with the order number, the approver, and the date.
